CLASSIC ELEGANCE
FOR SOPHISTICATED
BUILDINGS.

HANSACLIFF

ELEGANCE IS TIMELESS BEAUTY: HANSACLIFF.

Unusual proportions and a graceful appearance make the fitting a true feature. The elegant design is based on a classical cross-handle appearance. Subtle design details and distinct proportions evoke a well known but nevertheless unique perception. Together with its well-arranged selection, HANSACLIFF is ideal for equipping sophisticated buildings, such as hotels, restaurants or other distinguished semipublic spaces. HANSACLIFF was developed in collaboration with well known hotel designers JOI-Design.

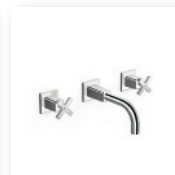

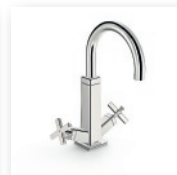

HANSACLIFF AT A GLANCE:

- Classical and valuable appearance with unconventional details
- Interface responds to the growing desire for analogue counterpoints in our fast-turning, digital world
- Meeting ecological needs: 6l/min water consumption
- Ensuring invest with durable materials like ceramic discs and honeycomb aerator
- Diamonded surfaces ensure a brilliant look
- Holistic approach in the entire bathroom
